

PROOF OF PURCHASE

**Napatech Link™ Programmable Development Kit
for Napatech FPGA-based SmartNICs**

SKU: 802-0100-01-10

Proof of Purchase

This Proof of Purchase grants you access to 1 licensed Napatech Link™ Programmable Development Kit.

How to obtain your Development Kit

Go to store.napatech.com and select the Prepaid License product using the below coupon code. This grants you access to the Development Kit software component.

Coupon code:

What is included

The Development Kit contains software files for the successful operation of the Napatech Link™ Programmable FPGA-based SmartNIC. The kit consists of a binary distribution archive which includes:

- A comprehensive hardware manual for the SmartNIC platform detailing component layout and FPGA I/O details.
- Toolchain Pinout files
- Example design images (PCIe, QSFP, DDR)

Please note: The Software Development Kit cannot be used to program the following software products: Napatech Link™ Capture, Napatech Link™ Inline and Napatech Link™ Virtualization, nor any hardware accompanying these products.

The Software Component includes digital files useful for Napatech FPGA Programmable Acceleration Card development.
